

*The ICC Gulf Coast
Region IX - News Letter
September 23, 2019
Fall Edition*

Important Dates

The President's Corner

Dear Region IX Members

Another year is almost over and I can proudly say that our Region IX Board of Directors have been very busy this past year. We finally have our own Facebook page: [ICC Gulf Coast Region IX](#) thanks our VP, Jason Pryor.

Region IX members have been very busy this past month of September working with the Emerging Leaders Membership Council with the initiative that every code official is validated as a voter so if they are not able to attend the Code Hearing in Las Vegas, NV this year, they are able to vote in these year's hearings on cdpAccess.

Region IX BOD was able to work with the American Wood Council and provide a Free of charge 6-hour CEU's training on October 9, related to the Wood Frame Construction Manual and the ICC Essentials for Wood Construction. See training Flyer and information on registering and location in the main page of our website.

Finally, the ICC Annual Meeting and Code Hearings at the Rio Hotel in Las Vegas, NV is less than a month away, hope to see you all there.

Visit our website at www.chapter.iccsafe.org/region9

As your President, I, and your Region IX Directors are here to listen to any concerns you may have and be your voice to ICC.

Region IX President
Claudio Grande CBO CFM
Email: Claudio.Grande@tamarac.org

The American Wood Council is providing a FREE 0.6 Preferred Provider CEU'S Training on Oct.9th at the Escambia County Government Office located at 221 Palafox Place, Pensacola, FL
Registration begins at 8:00 AM

Region IX BOD will meet at 4 PM
Following the above training at the same location

ICC Annual Conference
October 20 thru 30, 2019
Las Vegas, Nevada
